Cavalli Tower - Al Sofouh 2

Located along the west coast of Dubai, Al Sufuh is an upmarket area of Jumeirah. It stretches for 7 square kilometers towards the northwest side of Dubai Marina, and on the other side it is bordered by Dubai Internet City, Dubai Media City and the Dubai Knowledge Village, where the headquarters of the world's largest corporations are located.

With a breathtaking view of Palma, this architectural masterpiece is reserved exclusively for discerning people. Here, in a 70-story luxury tower designed for those who live limitless lives, a legendary experience awaits. Cavalli Tower was conceptualized by Sean Killa, an award-winning architect and design partner at Killa Design, which recently topped the list of achievements with the extraordinary Museum of the Future on Sheikh Zayed Road in Dubai.

Interiors:

Return home in impeccable style with Cavalli interiors, top-of-the-line finishes and bold design choices that reflect an upscale

lifestyle. From the lobby to the living areas, every inch is a true testament to taste - with high ceilings and rich details. Front-facing apartments feature flexible kitchens fitted with artistic partitions that transform your living room into an entertainment space for your discerning guests.
