Cavalli Tower – Al Sofouh 2

Located along the western coast of Dubai, Al Sofouh is a high-profile neighbourhood in Jumeirah. It stretches across 7 square kilometres towards the north-western side of Dubai Marina with the other end hemmed by Dubai Internet City, Dubai Media City and Dubai Knowledge Village and headquartered by some of the world's largest corporations.

Overlooking the Palm and crafted to take your breath away, this architectural masterpiece is exclusively for the discerning few. This is where iconic experiences abound in a 70-storey luxury tower calling for those who live life, limitless. Cavalli Tower is conceptualised by Shaun Killa, award-winning architect and design partner at Killa Design, whose list of achievements was most recently topped by the extraordinary Museum of the Future on Sheikh Zayed Road, Dubai.
