Malta is a land of wisdom, passed down from generation to generation.

Centuries of knowledge, literature, inventions, culture, and ideas await you here.

The Lagoons aims to transport residents into an enchanting paradise comprising eight majestic cities inspired by countries based on the warm waters of the Mediterranean Sea. The Venice and Malta cluster follow successful launches of Santorini, Costa Brava, Nice, and Portofino.

The community's aesthetically designed villas and townhouses will be built around an extravagantly large pristine water lagoons with white sanded beaches and each town are centred on a unique theme with a wide range of amenities for everyone to enjoy.
