UAE's first Six Senses residences

From humble beginnings, Dubai's transformation into a thriving and cosmopolitan global hub is a testament to its innovation and commitment to excellence.

Six Senses standing elegantly on the West Crescent of The Palm, Dubai. Residential owners and guests can benefit from its array of wellness and lifestyle facilities, including a massage circuit pool, squash court, wellness circuit, spa, shared working space, meeting rooms to name a few.

The residence consists of Signature Villa, Sky Villa, and Penthouse apartments.

Six Senses brand was born from the desire to help people reconnect with themselves, others and the world around them.

This vision is translated across a broad property portfolio, with wellness, sustainability and out-of-the-ordinary experiences at the core.

That's because reconnection can happen anywhere, whether on a remote private island, snowy mountain hideaway, desert dune, lush forest, wine estate or lively lounge in the heart of a city.

And now, Six Senses is excited to mark its entrance into the UAE market by introducing Six Senses, The Palm, Dubai.

Completion is Q4 2024

Payment Plan: 50/50
