Armani Residence is an upscale project located inside the world's tallest building, the Burj Khalifa. It is designed by the legendary fashion designer Giorgio Armani. Armani Residence is a collection of 1 bedroom and w bedrooms luxurious suites that occupy space from the 9th to the 16th floors of the tower.

The bedroom has closet space. There is a fitted kitchen as well as spacious hallway. The highlight of these 1 bed suites is the floor-to-ceiling windows that let plenty of natural light inside. One and two bedroom luxury residences featuring the clean, elegantly understated lines of Armani/Casa home furnishings are designed to reflect the personal tastes of Giorgio Armani himself.
